

ECOMOUNT
GREEN CITY

**Come Home to
Nature Everyday.**

Nature is Home

Nature is the most natural human habitat. The fresh air, the jugalbandhi of the animals and birds, the spellbinding sounds of the water flow, the lullaby of the breeze. And, in between, the natural course of human life in the most natural way. Welcome to green city – your lovely home.

Welcome to Greencity. Simply, Your home

Experience the captivating elegance of Green City, the stunning residential project seamlessly integrated within the bottoms of Wayanad's misty hills. Breathe in the fresh air and take in the beauty of the idyllic landscape. From stunning hilltop views to picturesque landscapes, the spaciousness of nature's beauty is on full display, creating a sense of awe and tranquility. Here serenity meets ultra-modern living. You can discover a sanctuary that combines the serenity of nature with cutting-edge amenities. With sustainable construction and a celebration of nature's beauty, we offer a harmonious blend of serenity and modernity for an exceptional living experience.

For them whose natural choice is Ultra-modern life

Make your life picturesque, beautiful and modern – in the midst of everything natural. Walk through the breezing outdoors and enter into the modern amenities seamlessly. Wake up to the freshness of nature and live in the comfort of a city within. It is the new of way of life.

Embrace the new synergy.

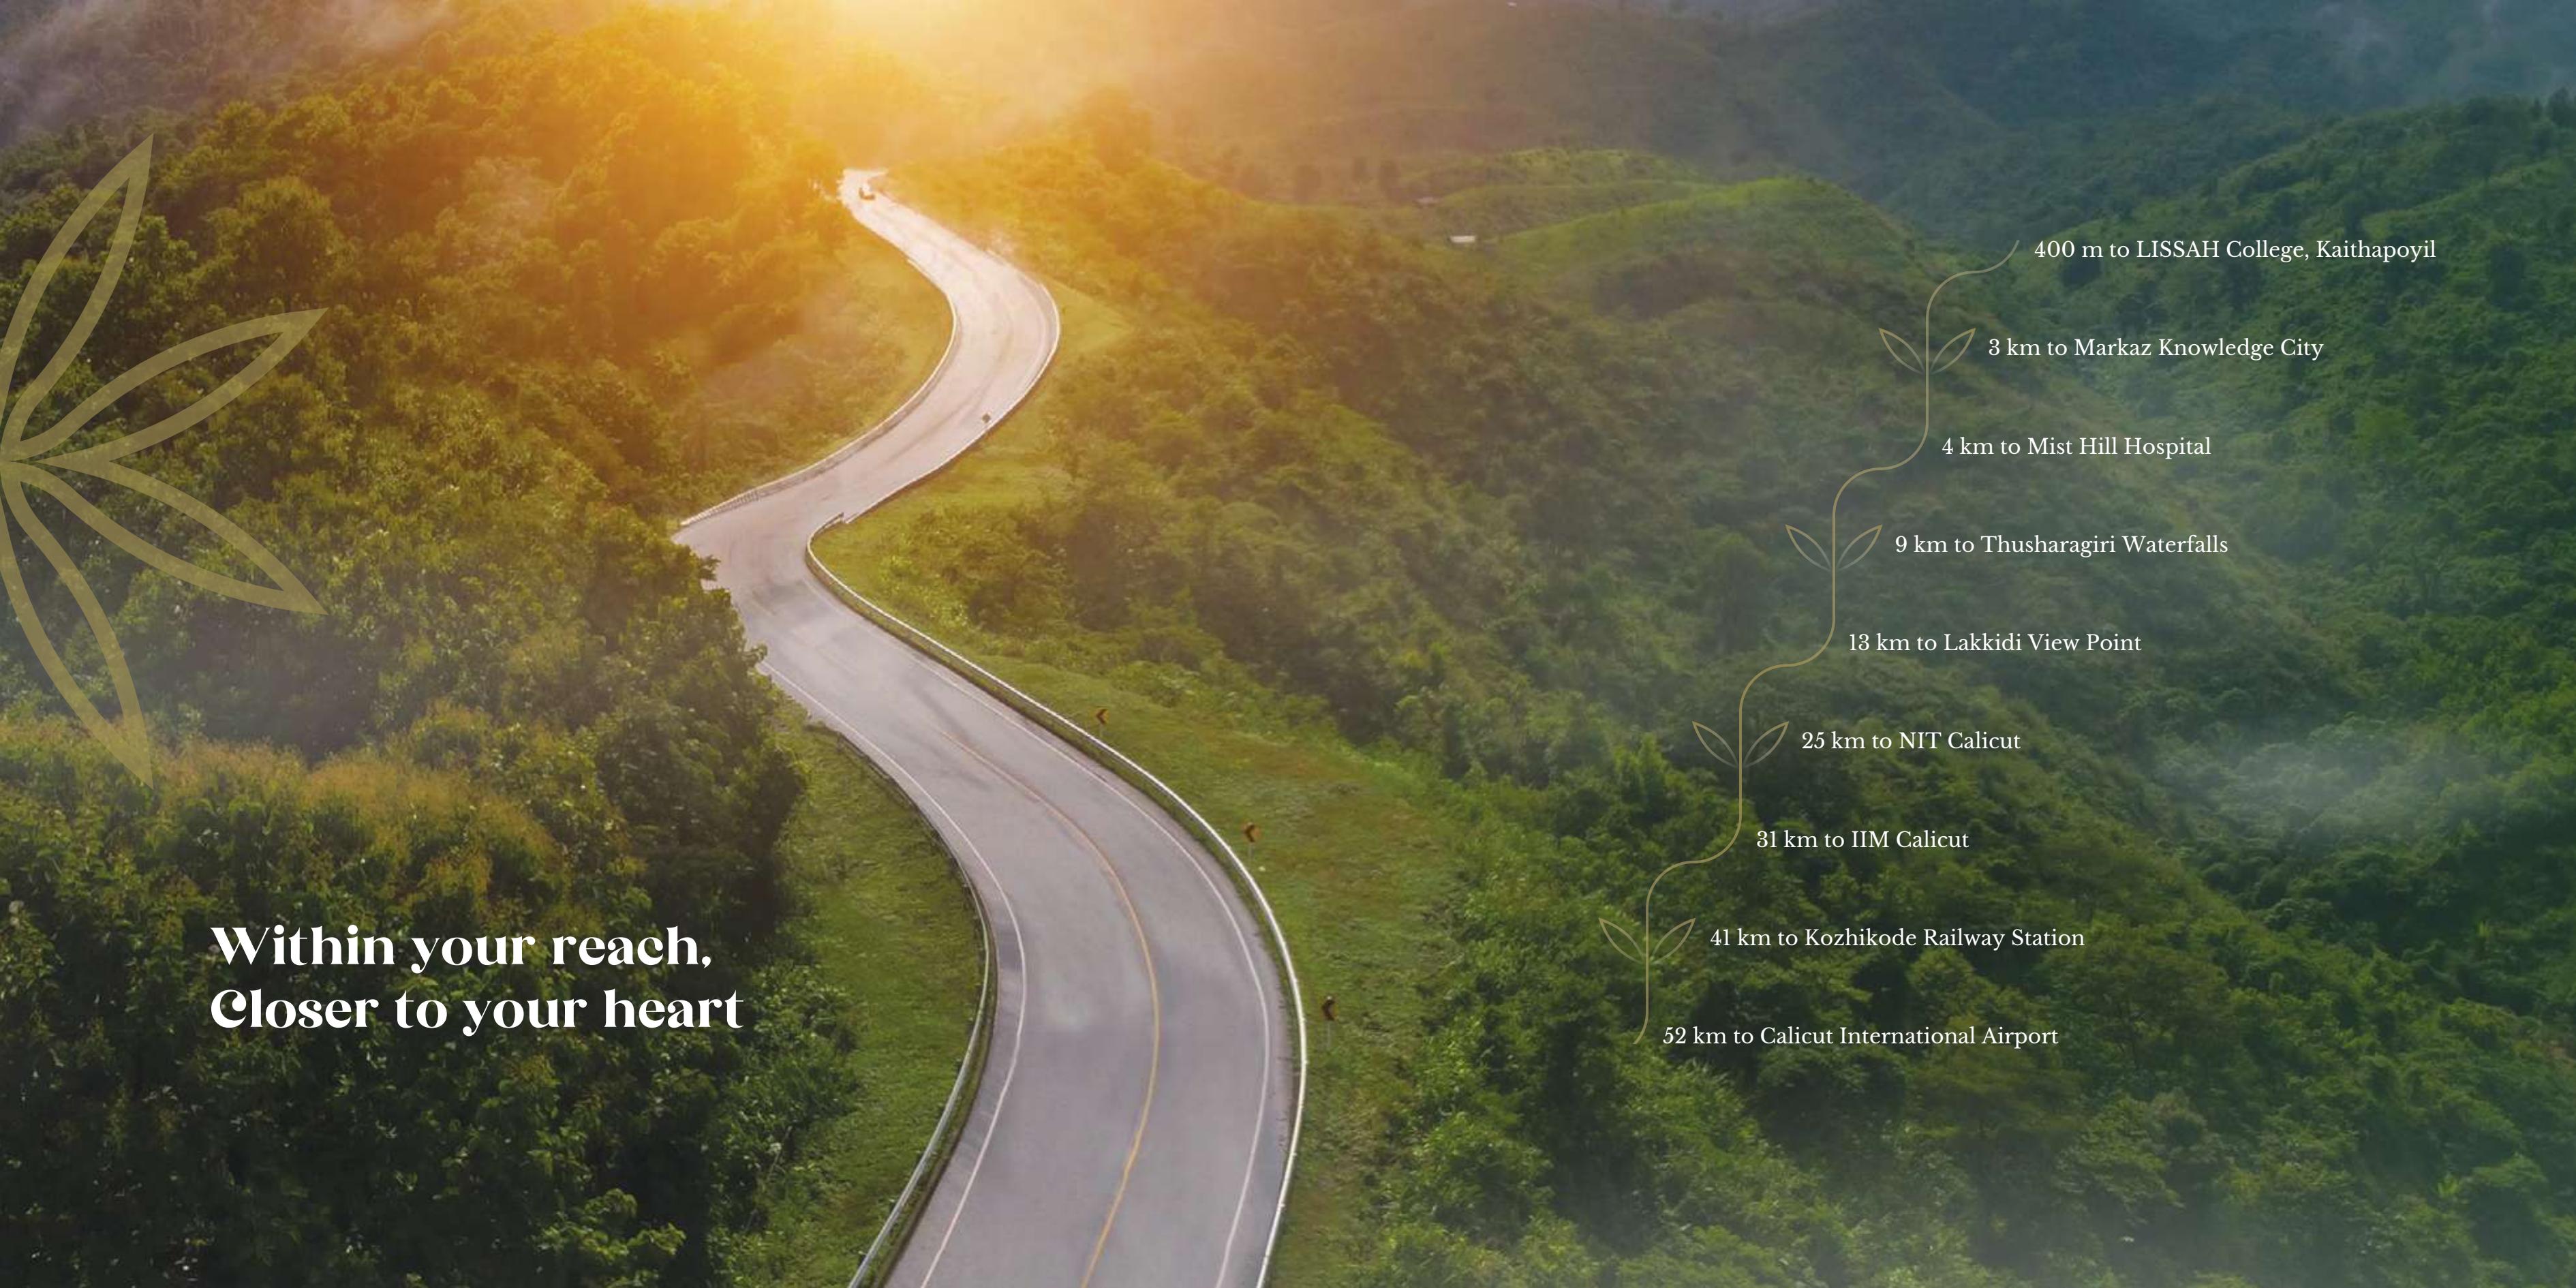

Nature is luxury

Breathe in the luxury of pure air that awakens your senses, experience the pure joy of embracing nature's freshness that renews your spirit. Let the blissful wind heal your mind and body, providing an unparalleled sense of luxury. Green City is your escape to a world where nature's gifts allow you to rediscover true joy and find solace in its simplicity.

**Within your reach,
Closer to your heart**

- 3 km to Markaz Knowledge City
- 4 km to Mist Hill Hospital
- 9 km to Thusharagiri Waterfalls
- 13 km to Lakkidi View Point
- 25 km to NIT Calicut
- 31 km to IIM Calicut
- 41 km to Kozhikode Railway Station
- 52 km to Calicut International Airport

Live where life happens

Nature is not away from the happenings. A few kilometres away from one of the fastest growing cities of the region, Green City is right at one of the hotspots of life. Located at a prominent tourist destination, all amenities are close to the heart of this contemporary, sustainable city – be it a public school, hospital, shopping destination or entertainment and food joints.

Here, all that life needs is naturally yours

We take pride in crafting a living experience that harmoniously combines the comfort of modern amenities with the serenity and tranquility of nature. From luxurious spa facilities for rejuvenating your senses to well appointed fitness centres where you can revitalise your body, every amenity at Green City is designed to ensure your comfort is prioritised.

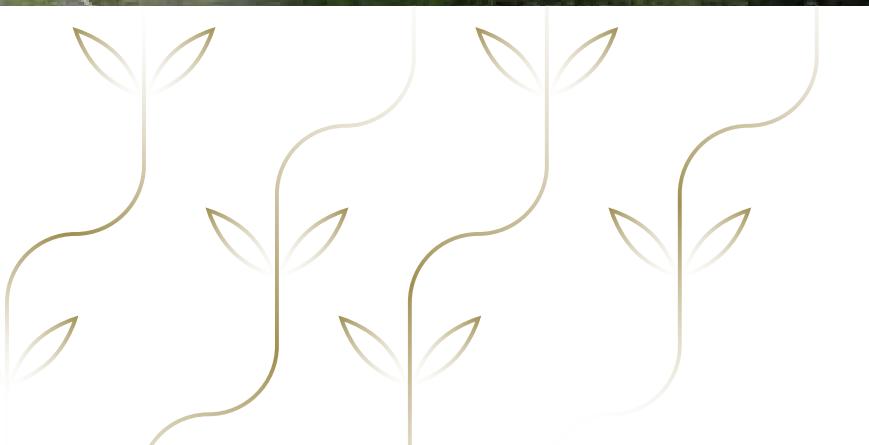

Socially and culturally connected

We believe in fostering a thriving community that embraces the harmony found in nature. Discover the essence of togetherness as you explore the natural ponds, tranquil streams, and meandering walkways that weave through the development. Enjoy the freedom to roam, relax, and connect in our expansive parks, gardens, and well-designed villas, where nature and community intertwine to create a flourishing and vibrant living environment.

ECOMOUNT Green city Homes

A grandeur of **53** exquisite villas that harmoniously blend with nature and make you feel at home the whole day. With 31 captivating 2 BHK villas, 20 charming 3 BHK villas, and a single opulent 4 BHK villa, each home offers you a truly magical and blissful abode.

True to the Utilitarian Principle

Built on our core principle 'Designed for Life', we bring in the utility aspect under one roof. Designed with connected rooms and inclusive spaces, they meet all your daily life utilities seamlessly. This is an open house converted into exclusive spaces providing the best of the best living scenarios.

Welcome to the Era
of Utilitarianism.

Extra ordinary people deserve extra-ordinary spaces

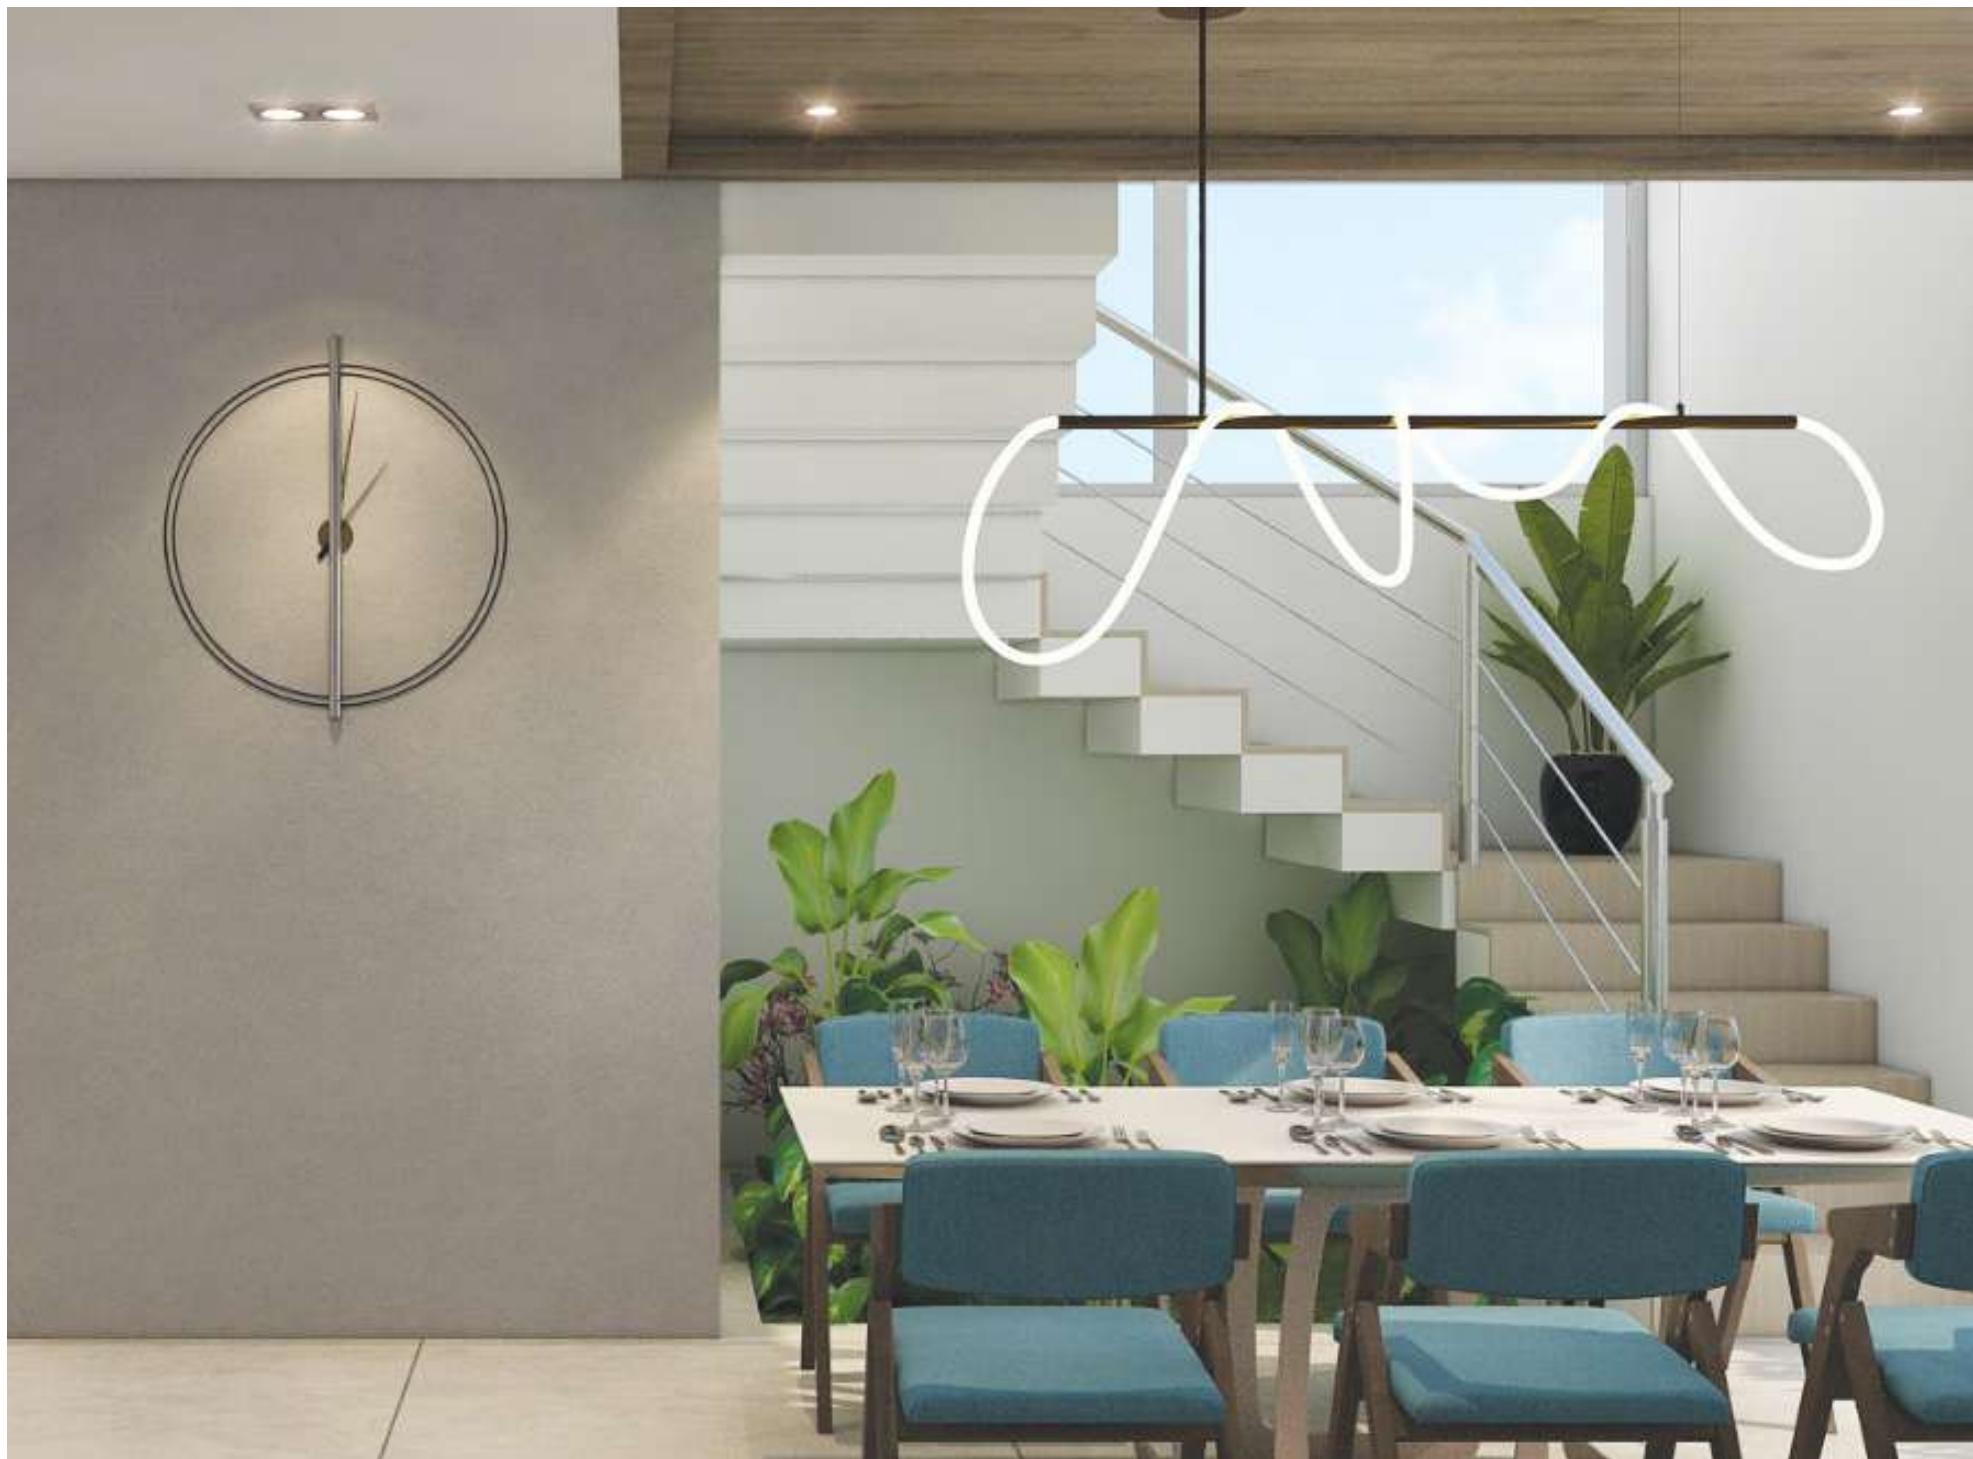

A home is your extra-ordinary space where you relax, eat and sleep. You wake up and go to work here. We design the spaces at green city home with exactly this in mind. It is your captivating space for a creative life. Every day needs are met with surgical precision and super luxurious facilities. Live amidst everything you want, live like the extra-ordinary people.

Nature comes home, every moment

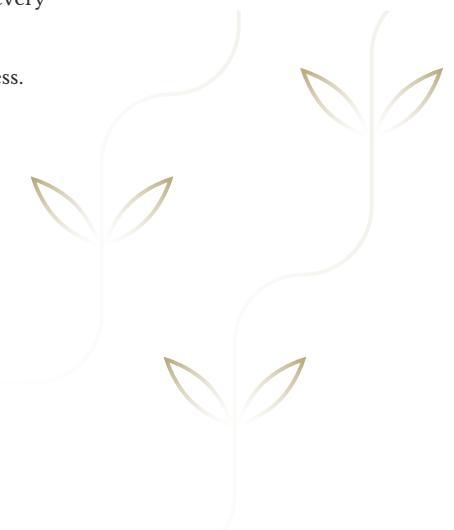

Not the other way. Move your curtains to the sides, let the fresh air and light flow in. Open your doors and relax on your lovely balcony with a tea to forget the stress and embrace mind-boggling calmness. Your home can be your vacation space. It is a lovely new experience.

The best for the best

We use the best materials and fittings to create the best of the outcome from every moment you live here. Beauty is one aspect of our design where as quality is paramount. Wonders happen when we imagine great and settle for nothing less.

Ever Green

1770

Step into the enchanting world of Ever Green, our Club House,
where the extraordinary unfolds within 10,000 square feet of
